Re: Docket 05-00235

To Whom It May Concern:

On behalf of Knology of Tennessee, Inc., I have enclosed an original plus thirteen copies of changes to the Local Services Tariff on file with the Tennessee Regulatory Authority. Specifically, the revised pages, with an issue date of September 1, 2005 are:

Section 8, First Revised Page 16 (N) Added new bundle package offering for businesses  
Section 11, Third Revised Page 4 (N) Added new rates for new bundle options

This new business product offering satisfies Knology's obligation under Tennessee Code Annotated §67-6-222(c), which requires telecommunications providers to pass on any realized net tax savings to business customers. I have enclosed in the confidential envelope price-outs that provide details on the flow-through amount of the tax equity payment received.

Please date-stamp each page of the enclosed extra copy of this filing and return it in the self addressed, postage paid envelope provided. As always, thank you in advance for your courtesies in this matter. Should you have any questions about the enclosed material, please don't hesitate to call me on (706) 645-3966.

Sincerely,

Bruce Schoonover, Jr.  
Director - Regulatory Affairs  
Knology, Inc.
